

Subject: P.E.O. Chapter _____ Project
From: _____

Dear _____

In 1869, when P.E.O. was just an idea, Franc Roads immediately said “Let’s go find the others.” She couldn’t wait to invite her friends! We want to recapture those feelings of purpose and enthusiasm that our Founders felt so long ago.

Chapter _____ is participating in a strategic P.E.O. membership initiative called “Let’s Go Find the Others” month, the Sisterhood’s annual event. Although you live too far away to participate with us in person, we know you want to be included in this sisterly experience.

So, during the month of October, think of all the important women in your life who would embrace the values of P.E.O. and support our mission – in other words, make good P.E.O. sisters. Where ever they live, introduce them by completing the [Introduction of a Woman Who is Not a P.E.O.](#) form found on the top toolbar of the International Chapter website and send it as instructed. This form will automatically be sent to chapter presidents within a 30-mile radius of where the woman lives. If you need help with log-in and password information or any other aspect, please call _____ at _____.

What would P.E.O. look like if each of us introduced just one friend to P.E.O.? We would...

- build P.E.O. for future generations
- honor the great legacy that our Founders gave us
- increase the amount of loving care and support we have to give each other
- enlarge our circles of influence and find more women in need of our assistance
- strengthen our vital projects.

We hope you share our enthusiasm for this initiative and will participate with us in “Let’s Go Find the Others” month. It certainly isn’t the same as having you here, but we are confident that our combined efforts will strengthen the Sisterhood for women around the world.

We love you and we miss you.

Lovingly in P.E.O.,

P.E.O. is a philanthropic organization where women **CELEBRATE** the advancement of women; **EDUCATE** women through scholarships, grants, awards, loans, and stewardship of Cottey College and **MOTIVATE** women to achieve their highest aspirations.
